

DRAWING AMENDMENTS

IN THE DRAWING:

The Examiner indicated that Applicants are required to submit a drawing to facilitate the understanding of the invention. As the application already includes Figures 1-6, Applicants assume that the Examiner's objection relates to the German-language text in the figures. Thus, please replace Drawing Sheets 2 and 3, Figures 3-6 with replacement Drawing Sheets 2 and 3, Figures 3-6 with the German-language text translated to English. Applicants also submit annotated red-lined drawing pages reflecting the changes. Applicants provide formal corrected drawings to be entered if the proposed changes are accepted by the Examiner.
